Hi Everyone,

Welcome back! I know it's not quite back, but back thinking of school.

I hope you enjoyed your Easter and had lots of tasty chocolate eggs- but not too many!

I really enjoyed the lovely weather, but I am missing all your faces.

We have to stay put for another while and make the most of our time. We are really helping the situation by staying at home and following all the advice we've been given.

I hope you've all been keeping up your smiles and your helpfulness. I'll be listening out this week for stories of all the kindness you've shown to those around you. You are the most wonderful girls and I'm so proud of how you are coping and helping.

You will be getting daily homework from today again and I hope you will do your best to keep it up. No teacher will be expecting too much of you, but they will be expecting you to do a certain amount every day. Please ask the grown-ups in the house to contact us if there are any issues with this

[info@stkevinsgns.com](mailto:info@stkevinsgns.com)). Try to keep up your copy work and your handwriting.

Make sure that every day has a nice balance of work and fun and try your hand at something new. Please include some exercise and fresh air- even in your back garden or balcony. Don't forget the competition to write or draw about a new skill that you've learned during this time. Bring it in when we are back and there will be a prize for the winner in every class.

It would also be lovely to see some photos of how you've been doing.

I'm looking forward to this new term, even if it is very different.

Keep smiling, keep helping and keep well,

Slán go fóill,

Ms. Dignam
