Good morning everyone,

Welcome to a new week! I hope this finds you all well and in good spirits. I hope your girls are keeping you going, in a good way!

Girls,

I have heard great things this week about how well you are working and keeping up with your homework. Remember, a little work every day is good. I was delighted to see so many of you on the video calls this week. You all look so happy and so well. However, it really reminded me of how much I miss you all!

I heard great stories of missing teeth, painted stones, drawing, painting, fairy gardens, baking, cooking, walking and cycling. Keep it up!

We are running an online competition this week and next week. I know that we have the writing competition that we will judge when you are back at school, but in the meantime, we will have a poster competition. The details will be on our website www.stkevinsgns.com and I'll also send it out through Aladdin.

There was disappointing news about the First Communions and Confirmations this week, but we will definitely celebrate them at some stage.

I'd also like to reassure our Sixth Class girls that we will have a graduation celebration.

So, keep up all the good work and keep being your amazing, kind, helpful selves.

Have a good week and stay well,

Slán go fóill,

Ms. Dignam
