28th August 2020.

Dear families of St. Kevin's G.N.S.

So we're nearly there! It's been a long time coming, but we're ready to start a new school year.

What an unusual year 2020 has been so far?! You have all been great. You have stayed home and saved lives and now you're ready to return.

We have been working away making the school safe for everyone- staff and pupils. We have tried to think of everything and the school is looking clean and bright.

We are looking forward to welcoming our new girls into Junior Infants and we are also looking forward to opening our brand new ASD class- 'The Butterfly Room' and meeting some new pupils for the first time.

We can't wait to see you all again. Don't forget to bring in or email in your piece of writing to describe something that you did during 'Lockdown'. We'll have a winner in each class.

You're going to have a great year,
See you Monday- slan go fóill,
Ms. Dignam
