

St. Kevin's G.N.S.

Halloween Photo Fundraiser!

Halloween might be a little different this year, but we will try our best to make it special.

Last year we were able to have a Hallowe'en 'disco' and shop, but we are limited in what we can do this year. We are hoping to have every class dress up and have a virtual assembly, where each class can see each other.

Weather permitting, we will have a parade on our newly designed Active Walkway. We have decided to run a Hallowe'en Fundraiser to raise funds for our new class for children with Autism.

As a school we are really missing the funds which you so generously gave towards the weekly Lotto.

If any family is in a position to give more - all donations will be greatly appreciated and will be well spent on a very good cause!

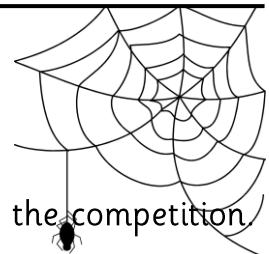

So how can you help?

We will send a link via Aladdin connect and if you choose to take part, you can 'click' your donation to us.

What to do to join the competition?

- 🎃 Email a photo of costume/decoration/painting (just one!)
- 🎃 Donate €5 per pupil or €10 per family
- 🎃 Email photo to class teacher before Wednesday 21st to be in the competition.
- 🎃 All entries will go into a raffle for Smyths Toys vouchers- announced on 23rd October.

Happy Hallowe'en!
